

**PRODUCT NAME** : 20 PIN IC Socket (Pack of 5)

**PRICE** : Rs 20.00

**SKU** : RM0087

## DESCRIPTION

The **20 pin IC Socket** or **20 pin IC base** acts as a removable **20 pin IC holder** that can be soldered directly to the PCB while the IC remains interchangeable. Required for sensitive ICs which are temperature sensitive and cannot be soldered to the board or at places where the IC needs to be replaced and for microcontroller based applications where the IC needs to be removed for programming.

## Features of 20 PIN IC Socket:

- **20-Pins.**
- JDEC standard Compliant.
- Moulded notch for proper orientation.
- Easy to **insert and remove ICS.**

## Applications of 20 PIN IC Socket:

- Multiple **DIY projects.**
- Application requiring replaceable ICS.
