

PRODUCT NAME : Antenna GSM-2 DBI Magnetic Antenna

PRICE : Rs 199.00

SKU : RM2414

DESCRIPTION

This antenna is designed for GSM GPRS 900/1800mhz system of communication terminal system. The antenna is structure compact and convenient for easy installation. Commonly used in GSM repeater,GSM sensor,GSM module & GSM modems.

Electrical specifications:

- Frequency range -MHz
800MHz-960MHz,
- 1880MHz-1930MHz
- (V.S.W.R ? 2.0 Gain-dBi 2.0 Polarization Vertical Impedance- ? 50 Maximum Input Power-W 10)

Mechanical specifications:

- Connector SMA male
- 3 Meter Wire Length
- Radome material Metal
- Radome color black
- Operation Temperature- -30~60
- Humidity-% 5~95
- Magnetic Base.
