

PRODUCT NAME : Pomona Female 0.1" Socket to Banana Plug - 24" - Black

PRICE : Rs 1,499.00
SKU : RM3492

DESCRIPTION

We have a couple of these handy **Pomona Female 0.1" Socket to Banana Plug 24"** cables! Great for use with your benchtop equipment, these are the highest quality cables and will last you years, if not decades.

This is the 24" long Black version. [We also carry this cable in red.](#)

This Female Socket to Banana Plug cable is terrific for prototyping or for use as a jumper on circuit boards, you can shove a ~22AWG solid core wire into the header or [use some extra long header to turn these into male-type header contacts](#)
