A **wire stripper** is a small, hand-held device used to strip the electrical insulation from electric wires. A simple manual wire stripper is a pair of opposing blades much like scissor or **wire cutters**.

### Features of Pye Wire Stripper:

- Allows for precision hand cutting of small OD multi-conductor cable plus cutting and stripping of wire.
- Durable steel construction for long life.
- Spring return handles provide ergonomic benefits for operator/user.
- Cuts cable OD up to 3/8" diameter and wire up to 10AWG; strips wire from 20 - 30 AWG

### Applications of Pye Wire Stripper:

- Cable assembly.
- Cable repair.
- Premise wiring.
- Cable installation.
