

PRODUCT NAME : 5K Potentiometer Bourns 3386

PRICE : Rs 10.00

SKU : RM0464

DESCRIPTION

The **potentiometer** is a full variable type resistor used to resist the rate of flow of current.

Features of 5K Potentiometer Bourns:

- Resistance: 5k.
- Ease to use.
- Ease of embedded.

Applications of 5K Potentiometer Bourns:

- Television.
- Radio.
- DIY projects.
- Arduino projects.
- Raspberry-Pi projects.
- Electrical/Electronic projects.
